Andrew Smith

Marketing executive AT&T

47% of the disconnected customers
are between the ages of 25-40.

It's all about **customer experience**.

New brilliant and appealing campaign
to attract new young customers.

Andrew needs to know his customers and their interests. **He needs data.**

He needs access to some personal info.

App that gathers popular activities among your friends in the social media.
Whogos.

who.gos

Noun

A combination of who and goes.
